

# WELCOME TO CASTLE HOWARD!

## TASK 1: THE "IMAGINARY" DETECTIVE

Read the full dialogue below. Highlight all sentences that describe imaginary situations (sentences using *If only*, *I wish*, or the Second Conditional).

**Alfie:** This is an amazing place. I wish I lived here.

**Macy:** Me too. If only I were a member of the Howard family!

**Alfie:** But if it were my house, I wouldn't allow people to visit.

**Macy:** That's mean! You'd get bored on your own.

**Alfie:** Oh, I'd let my friends visit, of course. But not the public.

**Macy:** If you had a party, you could invite hundreds of people!

**Alfie:** I know. The parties would be better if I made a few changes, though.

**Macy:** What kinds of changes?

**Alfie:** Well, if those trees weren't there, there'd be room for a swimming pool!

**Macy:** You could make some changes inside as well. I mean, look at this corridor.

**Alfie:** The Antique Passage, you mean?

**Macy:** Yes. If you took away all the statues, you could build a great bowling alley there!
