

Student's name: _____

Read carefully and answer correctly. You can do it!

I. Match using different colors

sweep the floor

walk the dog

clear the table

water the plant

make the bed

hang up the washing

fold the clothes

set the table

feed the dog

II. Read the text and mark T (true) or F (false)

Hi my name is Albert. I live with my family in a house. My sister is Ana, and my brother is Adam. We help our parents with the chores at home.

Everyday I make my bed and my brother feeds our dog Fido. My sister prepares breakfast and and my mom cooks dinner. My father washes the dishes after dinner. On Saturday, my brother and I pick up the bedrooms and my sister brooms the house. My father washes his car, and my mom goes shopping. On Sunday we watch movies, or we go to the park.

1. Albert lives in an apartment.	T	F
2. Albert makes his bed everyday.	T	F
3. His brother walks Fido.	T	F
4. His sister cooks the dinner.	T	F
5. His father washes the dishes.	T	F
