

EN31224 ENGLISH LISTENING AND SPEAKING 2
Midterm Examination

Name: _____ No. _____ M. 4/5 Date: _____

PART I: Read the short story and answer the following questions in complete sentences.

Passage A: Liam's Morning Routine

Liam always wakes up at 6:30 a.m. He usually eats breakfast with his sister before school. He often walks to school because he lives nearby, but he sometimes takes the bus when it rains. Liam rarely forgets his homework because he keeps it in a special folder. He never goes to school late.

1. What time does Liam wake up?

2. How does Liam usually get to school?

3. When does Liam take the bus?

4. Why does Liam rarely forget his homework?

5. Liam never goes to school late. This means:

Passage B: At the Park Today

Right now, Emma is walking in the park with her dog. She is listening to music while her dog is running around the trees. Some children are playing on the swings, and their parents are sitting on the benches. Everyone is enjoying the warm afternoon.

6. What does Emma's behavior suggest about her mood?

7. Which detail helps you understand that the park is a pleasant place today?

Midterm Examination

8. If the weather suddenly turns cold, which activity is most likely to stop first?
9. Why might the children and parents choose to stay at the park together?
10. Which prediction best fits what will happen next if the warm weather continues?

Passage C: Lila's Weekend Plan

Lila is going to visit her grandparents this Saturday. She is going to bake cookies with her grandmother because she wants to learn the recipe. In the afternoon, her family is going to have a small picnic by the lake. Lila thinks the weather is going to be sunny, so she plans to bring her camera. She is sure the day is going to be fun and relaxing.

11. Which activity seems most important to Lila, based on her intention?
12. What can you infer about Lila's relationship with her grandparents?
13. If the weather is not sunny, which plan will most likely change?
14. Why is Lila bringing her camera?
15. Which prediction about Lila's day is most reasonable based on the passage?
