In the city, most people live in flats in apartment ¹_____. If you live on the top floor, you often have spectacular views. However, the ²_____ flat can be dark because it's under the ground floor, but if it has a garden, it can be quite sunny. Other people prefer ³_____ houses because they don't want to have neighbours that share a wall, like in ⁴_____ houses. They don't like ⁵_____ houses either because these share walls with neighbours on both sides of the house, so it can be very noisy. ⁶_____ houses are very popular because they are well built and don't have the problems old houses often have. But older, traditional houses can be very attractive. Which do you prefer?

- Do a survey to find out what type of home your friends and family would like to live in. Ask them to give you their reasons. Which is the most popular? Write a short report and prepare to give a presentation to the class.

Name	Type of home	Description	Reasons
Sam	Apartment block	Big, luxury and modern	He wants to live in the city.
