

Прочитайте текст. Из каждой строки (B9–B18) выпишите ОДНО лишнее слово.

- B9. So your parents have finally said them "yes" and you are soon going to get a kitten.
 B10. But do you know enough about cats to have prepare for the arrival of the new
 B11. family member? Cats that are fascinating creatures, but they are just animals. They
 B12. will not be able to understand there are much places in your house that you do not
 B13. want them to go to it. Kittens are curious and like playing, they also climb and jump
 B14. a lot, so hide all the things that break enough easily. Buy some special toys for your
 B15. kitten if you do not want it to be damage your sofas or carpets. Also, learn how to
 B16. gently stop your kitten from scratching and biting you. Young cats play with every other
 B17. cats in this way, so they do not know that they hurt you. It is also a good one idea
 B18. to fit nets on your windows, especially if do you live in a tower block.
