**Texto Base: "My New Life and Routine in Valencia"**

Hi! My name is Lucas and I am a student at the EOI. I live in a small but very nice apartment in the city centre, and I want to tell you about my daily life here.

In my house, **there is** a modern kitchen where I prepare my meals. I usually **get up** at 7:30 and **prepare** a healthy breakfast. I **drink** a lot of **milk** and I **eat** an **apple** every morning because I like fresh fruit. In the kitchen, **there is** a big wooden table, but **there aren't** many chairs, only two.

In the living room, **there is** a comfortable sofa and a small desk. I **don't have much** furniture because the room is quite small, but it is very cozy. I **have** some important **information** about the city and its transport on my desk because I **love** exploring every corner of Valencia.

On the weekends, I **go** to the park with my **friends**. We **don't go** to the gym because we **prefer** walking and breathing fresh air outdoors. **There are** some beautiful parks and gardens near my house, so there is always a nice place to relax. I **am** very happy and motivated with my new routine!
