Hi everyone. My name is Leo, and I'm twelve years old. I live in New York with my parents and my younger brother Liam. He's nine years old. In my free time, I enjoy collecting stamps and reading comics. I also like playing basketball. Every Saturday, I go to the park near my house to play basketball with my friends, and I'm pretty good at it. I'm also learning to play the guitar, but I'm not good at it.

My favorite subjects at school are science and art. In the future, I hope to travel and collect stamps from different countries! I'd love to try the different kinds of food there, too.
