

Welcome to my bedroom! A room tour

Review the role-play script and the writing proposal, then complete the assigned task.

You're a famous YouTuber who creates diverse content. Your followers have asked for a tour of your bedroom, so you've chosen to feature it in your next video. To do so, you need to prepare a script outlining what you'll say and show.

Think about what you have in your bedroom. Where are your things? Write a detailed paragraph explaining where each object is. Think of it as a “script” that satisfies your fans’ curiosity about your personal space. Look at the example.

Today's vlog

Hi there! As requested, I am here to show you, my bedroom. My bed is next to the door. There is a brown desk in front of my bed. The laptop and the printer are on the desk. There is a chair behind the desk. This is my bookshelf. It is between the desk and the bed. I have a lot of books on the bookshelf. There is a poster of my favourite band on the wall. There is a mirror next to the door, and all my clothes and shoes are in the wardrobe. There is a small rug on the floor in the centre of the room. The TV is on a rack above my desk. There are 2 big pillows on my bed.
