Choose the correct option:

Imagine there's no

It's easy if you

No below us

Above us only

Imagine all the people

Living for today

Imagine there's no

It isn't hard to

..... to kill or die for

And no too

Imagine all the people

Living life in peace

..... may say I'm a dreamer

But I'm not the only

I some day you'll join us

And the will be as one

..... no possessions

I wonder if you

No need for greed or hunger

A brotherhood of

Imagine all the people

Sharing all the world

You may I'm a dreamer

But I'm the only one

I hope you'll join us

And the world will live as one
