Welcome to the Listening component of the Matura Examination.

The listening material and the instructions are recorded on the CD, and the tasks and instructions are printed in your test booklet.

- There are three tasks, and every recording will be played twice.
- The tasks will begin with some music, and then you will hear (and you can also read) the instructions to the task.
- This will be followed by a silent period on the CD in order to give you some time to look at the task in your test booklet before hearing the text.
- Then we will play the recording in one piece.
- After another short silent period we will play the recording for the second time, but now in shorter sections and with breaks between the sections in order to give you enough time to write down your answers.

Please note that the first item in each task (marked with a tick [✓]) is always an example.

The whole test is about 30 minutes long.
