

B2 – Making Comparisons

1. Use the words in the box to complete the rules about making comparisons. Then fill in the two tables.

ONE	AS	SUPERLATIVE
GROUP	COMPARATIVE	TWO

A. Any **adjective** has three forms: base form - _____ - _____

Most **adverbs** also have these forms.

B. We use the comparative form to talk about how _____ things are different.

e.g.: Jogging is **cheaper than** tennis. Roller-skating is **more enjoyable than** walking.

C. We use the superlative form to talk about how _____ thing is at the top or at the bottom of a _____.

e.g.: Jogging is **the cheapest** leisure time activity. Roller-skating is **the most enjoyable**.

D. To say that two things are the same, we use the structure _____ adjective / adverb **as**.

e.g.: She is **as motivated as** her brother. He drives **as carelessly as** his father.
