

# Find Someone Who....

Walk around the classroom asking questions of your classmates until you find someone who fits each box below.

You can only find one person for each box.

You may not use the same person more than once.

|                                           |                                                        |                                                  |                                                    |
|-------------------------------------------|--------------------------------------------------------|--------------------------------------------------|----------------------------------------------------|
| Went on a plane.<br>Where did they go?    | Ate traditional<br>Javanese food.                      | Went to the beach.                               | Has black eyes.                                    |
| Played online<br>games.                   | Has a pet. What's<br>its name?                         | Has a brother AND<br>a sister.                   | Did something<br>creative at home.<br>What was it? |
| Had a birthday<br>during the<br>holidays. | Lives in a different<br>town or suburb to<br>you.      | Likes to eat ice<br>cream. Favourite<br>flavour? | Had a sleepover at<br>someone else's<br>house.     |
| Rode their bike.                          | Likes to eat<br>vegetables.<br>Favourite<br>vegetable? | Went camping.                                    | Swam in a pool.                                    |
