Text 2

Reading: My Future Job

My name is Ana. I am a student. I like English and math.

In the future, I want to be a teacher. I will work in a school and help children learn new things.

Every day, I study at home. I do my homework and read books.

My parents help me study. They say education is very important.

I will not stop studying because I want a good job.

Maybe I will teach English in the future.
