## Writing full sentences!

### Instructions:

Rewrite the prompts below as full sentences.

#### Use:

- the past simple of the verb,
- appropriate sequence connectors (first, then, after that, finally),
- and clear sentence structure.

Once finished, check and correct your sentences. Submit the completed worksheet to the teacher and write down any mistakes you notice in your notebook.

Bring your questions to the next class so they can be discussed together.

1. Pedro / help / us / math / first / then / play

2. Maria / teach / song / class / after that / finally

3. Our friend / guide / us / museum / first / then

4. The teacher / inspire / us / project / because

5. She / study / history / first / then / work

6. He / travel / many places / after that / learn

7. They / share / ideas / first / then / work together

8. She / help / family / finally
