lake, and in the background, there are some small
houses, trees, and _____.

It seems they are in the countryside, and there also _____ a car driving
behind them on the road.

The weather looks _____.

WRITE THE NUMBERS IN THE CORRECT ORDER TO FORM A COMPLETE STORY.

- ☐ We didn't go down the same way. There were special bikes which don't have pedals. You can only use them to go downhill.
- ☐ We then walked for about four hours. The views were incredible.
- ☐ You just sit on them and go down the mountain path as fast as you want.
- ☐ It was warm and sunny as we got out of the car and there was a ski lift to get to the top of the mountain. That was fun and very easy!
- ☐ It was brilliant.
- ☐ I had a really great day out. It started badly. My parents decided to go walking in the mountains and I'm not keen on walking.

Complete the story – Fill in the gaps

enjoyable - beautiful - excited - memorable - break - pleasant

Story

I had a great trip last summer. At first, I didn't feel very _____ (1) about going because I thought it would be tiring. However, my feelings changed when we arrived. The weather was _____ (2), and the place looked very welcoming. We walked along a small path near the mountain, and although the walk was quite long, the views were really _____ (3). After a few hours, we stopped for a short _____ (4) and had some food. Later, we went back by bike instead of walking. It was a fun and _____ (5) way to end the day. In the end, I felt tired but happy. It was a really _____ (6) experience.
