

Activity 2

INTENSIVE SPEAKING

Title: Answer the Questions

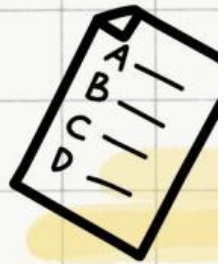

Description of Activity

Students will listen to five questions about everyday topics. After each question, students will record a short but complete answer of no more than two sentences. The answers should demonstrate clarity, coherence, and appropriate use of vocabulary and grammar.

Objectives

- Demonstrate listening comprehension and oral production in real-world contexts.
- Practice organizing complex ideas into short structures.

Listen and then respond with an audio message.
