

Ooh

I, I just woke up from a (1) \_\_\_\_\_

Where you and I had to say goodbye

And I don't (2) \_\_\_\_\_ what it all means

But since I survived, I (3) \_\_\_\_\_

Wherever you go, that's where I'll follow

Nobody's promised tomorrow

So I'ma love you every night like it's the last night

Like it's the last night

If the (4) \_\_\_\_\_ was ending, I'd wanna be next to you

If the party was over and our time on Earth was through

I'd wanna hold you just for a while and die with a (5) \_\_\_\_\_

If the world was ending, I'd wanna be next to you

Ooh

Ooh, lost, lost in the words that we (6) \_\_\_\_\_

I don't even wanna do this anymore

'Cause you already know what you mean to me

And our love's the only war (7) \_\_\_\_\_ fighting for

Wherever you go, that's where I'll follow

Nobody's promised tomorrow

So I'ma love you every (8) \_\_\_\_\_ like it's the last night

Like it's the last night

If the world was ending, I'd wanna be next to you

If the party was (9) \_\_\_\_\_ and our time on Earth was through

I'd wanna hold you just for a (10) \_\_\_\_\_ and die with a smile

If the world was ending, I'd wanna be next to you

Right next to you

Next to you

Right next to you

Oh-oh, oh

If the world was ending, I'd wanna be next to you  
If the party was over and our time on Earth was through  
I'd wanna hold you just for a while and die with a smile  
If the world was ending, I'd wanna be next to you  
If the world was ending, I'd wanna be next to you  
Ooh  
I'd wanna be next to you
