Who are the people in Gen Z?

Generation Z, or Gen Z, describes the young people born between 1997 and 2010. Gen Z is very special because it's the first generation of people that aren't knowing / don't know what life is like without the internet or social media.

What do / are the people in Gen Z like?

Many people say that they're quite funny / serious because they care a lot about the problems in the world and try to make it a better place. They also understand / are understanding a lot about computers and technology and like / are liking trying new things from different cultures.

What are / do they like doing?

As they love meeting up with other young people, they're usually friendly / funny. But studies show that they don't always go out / aren't always going out in their free time. In fact, they often prefer staying at home. People from Gen Z often play / are playing video games in their free time and they really enjoy / are enjoying watching TV or films, too.

And what is / does Gen Z look like?

Today, many teenagers want / are wanting to wear fashion from the early 2000s, for example, a long sleeve / shirt with baggy jeans. And instead of light colours, like dark / pale blue, people in Gen Z prefer strong colours like red or black. And they aren't wearing / don't wear long, beautiful dresses or suits at the moment – instead, they prefer active clothes like short trousers and jeans / T-shirts.
