

a. Read the text about two types of smartphones. Complete each gap in the table with NO MORE THAN TWO WORDS AND/OR A NUMBER.

Last Wednesday, LaTomato introduced its new types of smartphones T14 and T14 Plus. How different are these smartphones? Let's have a look at two of them.

Screen

The screen of T14 is 6.1 inches while T14 Plus has a bigger screen, which is 6.7 inches. Users can find it easier to read news or watch videos with a T14 Plus.

Battery life

They have a long battery life. Their users can spend a whole day playing games, watching movies, listening to music or visiting many websites. The T14 can last up to 20 hours while T14 Plus can last up to 24 hours.

Storage

They both have 128, 256 or 512 gigabytes of storage. However, the T14 Plus comes with an extra option, which is one terabyte, so its users can feel free to store more data, documents, videos or music, and save thousands of pictures.

Camera

The T14 Plus has a better camera system with 48 megapixels, and T14 comes with a 12-megapixel camera system.

Weight

The two models have different weight. A T14 Plus is 240 grams while T14 is only 172 grams.

Price

The prices depend on storage space. T14 can cost \$799 for 128 gigabytes of storage, while T14 Plus is \$1,099 for the same storage.
