

Add more sentences to each item. Use different linking words and/ or phrases

1. Body shaming is becoming more common on social media.
2. Many people live in poverty.
3. Awareness campaigns help to draw people's attention to social issues.

Example: Some children play too many violent computer games. **As a result**, they become violent. **Moreover**, this can negatively affect their academic performance and social relationships. **Therefore**, parents and teachers should closely monitor the type of games children play and limit their screen time.
