

WHE...., WHE... - Shakira

Lucky you were born that far away so
So we could both _____ distance
Lucky that I love a foreign land for
The lucky fact of your existence
Baby I would climb the Andes solely
To count the freckles on your body
Never could imagine there were only
Ten million ways to love somebody

Can't you see?

_____, _____
We're meant to be together
I'll be there and you'll be near
And that's the deal, my dear

There over, here under (CHORUS)
You'll never have to wonder
We can always _____
And that's the deal, my dear

Lucky that my lips not only mumble
They spill kisses like a fountain
Lucky that my breasts are small and humble
So you don't confuse them with mountains
Lucky I have strong legs like my mother
_____ when I need it
And these two eyes that for no other
The day you leave will cry a river

At your feet

....
CHORUS repeat

There over, here under
Or up above or wonder
We can always ...
But that's the deal, my dear

Think out loud, say it again

Tell me one more time
That you'll live lost in my eyes
CHORUS
There over, here under
You've got my _____
There's nothing left to fear
If you really feel the way I feel

CHORUS

To run for cover
head over heels
play by ear
I'm at your feet
whenever
wherever
make fun of
