

Ruby Bridges Read and Sequence

Directions: After reading the story, cut and paste each picture in the correct order.

In the 1960s, Ruby Bridges went to an all-Black school. Ruby was not allowed to attend an all-white school. Then, the law said schools could not be separate. Ruby had to pass a hard test to go to a new school. Next, people protested Ruby going to the school. Last, Ruby was brave and went with U.S. Marshals to her new school.
