Matilda, you talk of the pain like it's all alright
But I know that you feel like a piece of you's dead
inside
You showed me a power that is strong enough to bring
sun to the darkest days
It's none of my business, but it's just been on my mind

You were riding your bike to the sound of "It's No Big
Deal"
And you're trying to lift off the ground on those old two
wheels
Nothing about the way that you were treated ever
seemed especially alarming 'til now
So you tie up your hair and you smile like it's no big
deal

You can let it go
You can throw a party full of everyone you know
And not invite your family, 'cause they never showed
you love
You don't have to be sorry for leaving and growing up,

You can see the world, following the seasons
----- you go, you don't need a reason
'Cause they never showed you -----
You don't have to be sorry for doing it on your own.

You're just in ----- make your tea and your toast
You framed all your posters and dyed your clothes,
ooh
You don't have to go
You don't have to go -----

Oh, there's a long way to go
I don't believe that time will change your mind
In other words
I know they won't hurt you ----- as long as
you can let them go
