

My first trip to the beach

This writing is about my first trip to the beach with my best friends.

Last year, my friends and I went to Montanira Beach for our summer holiday. We stayed there for three days and had a wonderful time.

First, we arrived on Friday and looked for a hotel. We found a nice place near the beach. We played football on the sand and took many photos of the sea.

Then, we watched the beautiful sunset and went swimming in the pool. We talked about our lives and laughed a lot.

Next, we walked along the beach and made new friends. We were very excited because we saw dolphins in the sea. We also ate a burger at a small café near the beach.

After that, we stayed at the beach all day, went swimming, and played games together.

Finally, we made a small fire, sang songs, and danced in the evening. It was an unforgettable trip, and I hope to go there again next year.
