Used to vs Would

When I was younger, we _____ **(have)** long school vacations in the summer - about 10 weeks. I _____ **(see)** a lot of my extended family in those days. They lived about 30 miles away. My cousins _____ **(come)** to stay every summer. We _____ **(not/have)** a big house like we do now, so we always _____ **(camp)** in the backyard. There was a stream near our house, and we _____ **(swim)** in it. One of my little cousins _____ **(not/swim)** . She _____ **(be)** really scared of water, and my brother _____ **(tease)** her about it. He _____ **(make)** her go into the water. He wasn't very nice to her. Thank goodness he's not like that now!
