

Whiskers' Yummy Feast

Whiskers the cat smell yummy food from the kitchen. "I would like some fish," he meowed to his friend Mouse.

Mouse giggled. "I would like cheese too! Let's ask Chef."

Chef smile. "I would like to share. Here's fish for you, Whiskers, and cheese for Mouse."

They ate happily. "I would like more tomorrow!"

Whiskers purred.

And they do it—every day!

The end.
