TV viewing habits:

Nowadays, there are some interesting TV programmes for us, so I enjoy watching TV so much. I spend about an hour a day watching TV, I only watch TV in the evening. During the day, I must go to school. On Saturday and Sunday, I watch more. Sometimes I watch TV when I am eating, but I never watch TV when I am studying. My favourite TV programme is Science programme. It has interesting educational programmes for children. I think I have good TV-viewing habits.
