

RATHER BE

Oh, oh, oh We're a thousand mille from comfort,
we have traveled travelled land and sea
But as long as you are with me,
there's no place plaze I'd rather be
I would wait forever, exalted in the escene scene
As long as I am with you,
my heart hart continues to beat

** With every step we make take,
Kyoto Kioto to The Bay Strolling so casually
We're differnt diferent and the same,
gave you another name
Switch up the batteries bateries
If you gave me a chance I would take it
It's a shot shoot in the dark but I'll make it
Know with whit all of your heart,
you can't shame me
When I am with you, there's no place I'd rather be

N-n-n-no, no, no, no place I'd rather be (x3)

We staked stalked out on a mission
to find our inner piece peace
Make it everlasting so nothing's incomplete
It's easy being been with you, sacred simplicity
As long as we're were together,
there's no place I'd rather be
