

Exercise 6

- 15** Your class recently had a debate about the advantages and disadvantages of homework. Your teacher would like you to write an article for your school magazine, giving your opinions. Here are two comments from your classmates:

Homework takes up far too much of my free time.

In some ways, I learn better when I'm at home.

Write an article for your school magazine, giving your views.

The comments above may give you some ideas, and you can also use some ideas of your own.

Your article should be between 150 and 200 words long.

You will receive up to 8 marks for the content of your article, and up to 8 marks for the language used.
