

Problem & Solution

UAE Integration Link UAE Culture

In the UAE, some parks become dirty because visitors leave litter on the ground. This makes the parks unhealthy and unpleasant for families and children. To solve this problem, the municipality placed more trash bins and signs that remind people to keep the area clean.

1- What is the main problem in the paragraph?

- A. There are not enough parks in the UAE.
- B. Visitors leave litter in parks.
- C. Families do not visit parks.
- D. Parks are too big.

2- Write 2–3 sentences explaining the problem and the solution in the paragraph. Use complete sentences.
