Answer the following questions about your opinion and support it with reasons.

1. If your friend lies to you, what will you do? Why?

2. If you see someone cheating on an exam, what should you do? Why?

3. Do you think students should wear school uniforms? Why or why not?

4. If your friend is stressed about schoolwork, how can you help him or her?

5. Do you agree that students should not use mobile phones in class? Why?

6. If you fail an important exam, how will you improve yourself?

7. Do you think social media has more advantages or disadvantages for teenagers? Why?

8. If your parents do not allow you to go out with friends, what will you do? Why?

9. Do you agree with having part-time jobs while studying? Why or why not?

10. How can students help protect the environment at school?
