Speaking classes 2026: monthly review practice 🗣️

1) Read the situation. Complete the response using ONE expression from the list. Each expression is used only once.

Expressions:

Keep me in the loop

Let's look at the bigger picture

This is still a work in progress

I see your point, but

We need to manage expectations

I'll get back to you on that

1) The client expects daily updates and immediate results, but your team cannot deliver that speed.

Response:
"I understand this is important for you. However, _____ and agree on a realistic timeline."

2) Your manager asks if the presentation is finished, but you are still making final changes.

Response:
"Thanks for checking. _____, but I'll send the final version this afternoon."

3) A colleague suggests launching the product tomorrow, but you believe it's too risky.

Response:
"_____ the idea of launching quickly, but we may need more testing."

LIVEWORKSHEETS

4) The team is arguing about logo colors, but the real issue is declining sales.

Response:
"Before we decide on the design, _____ and focus on the sales strategy."

5) During a meeting, someone asks you for exact budget numbers and you don't have them.

Response:
"That's a good question. _____ after I confirm the numbers with finance."

6) You are not part of the project, but you want updates about its progress.

Response:
"It sounds interesting. Please _____ as the project develops."
