VIII/ Read. Find the WRONG information. Then correct it.

Giraffes are very tall animals. They are taller than other land animals. Some giraffes live in Africa. A giraffe has got a very long neck. Giraffes haven't got hands, but they use their necks and mouths to eat leaves from tall trees. Giraffes live in groups. Look at the photo. These giraffes are eating. There is a baby giraffe in the group. It is smaller than its mum and dad.

0. Giraffes are very **small** animals. → **tall**
1. They are shorter than other land animals. → _____
