LIFE IN THE PAST: THEN vs. NOW

Choose the Correct Answer (True or False)

IN THE PAST

In the past, people used many candles for light. They had no electric bulbs. People also rode horses to travel far. Children would see very few cars. Letters were written to talk to friends. Letter-writing took a long time. Cooking used firewood on on a firepit.

TODAY

Today, people use electric lights. These lights are bright and easy. Most people travel in cars. We see many cars on roads. Now, we use phones to talk. We can call very fast. Many people use electric stoves stoves for cooking.
