Dear sister,

I am very happy that you _____ your children come to visit me. _____ new park I want you to visit. The park is called "Green experience". It is a park where families _____ go and learn about nature and ecology. In the park...

- There is a _____ station and children _____ separate plastic, paper, or glass.
- There are _____ panels that create energy for the lamps, fountains, etcetera.
- Children can plant trees _____ help insects in the community garden.
- There is also a water fountain to _____ bottles.
- There _____ birdhouses and plants that can protect pollinators..
- Children _____ practice cycling and create _____.

The park is incredible and you _____ experience it this weekend. So, hurry up! Have a safe trip and see you soon!

Love,
Alice.
