Read the text below. For questions (1-10) choose the correct answer (A, B, C or D).

The Teenage Entrepreneur

Have you ever thought about launching your own startup? Nowadays, many teenagers are eager to **(1)** _____ business before they even graduate from high school. Obviously, it's not a piece of cake, and you have to **(2)** _____ a massive effort if you want to turn your dream into reality.

First of all, before you launch anything, you need to **(3)** _____ some market research to find out what people actually need. Does your app or product **(4)** _____ sense in today's world?

Once you've **(5)** _____ up your mind about your project, remember that it's completely normal to **(6)** _____ mistakes along the way. Even the most famous billionaires have failed at some point. The key is to **(7)** _____ sure you learn from those failures.

However, running a startup doesn't mean you should ignore your education. You still need to **(8)** _____ your best in class and avoid skipping tests. A solid education will help you **(9)** _____ the right decisions later on. Ultimately, whether your goal is to become a millionaire or simply **(10)** _____ a difference in the world, taking that first step is what really matters.
