Hello John!
How are you? I hope you're OK. I'm fine.
I'm writing to tell you about my new life in Manchester. My new house is a detached house, with a big garden. I can play football there! My bedroom is big and I don't have to share it with my brother! 😊 I've already put up my football posters. My new school isn't too bad but it's quite far away. I have to get the bus there. It takes half an hour, so I have to get up earlier now! I've joined the school basketball team and I train twice a week.
But what about you? How's it going at school? Are you still worried about maths tests? Did you go on any school trips this summer?
Ok, that's all for now. Write to me soon and tell me about you.
All the best for your next maths test.
Bye for now!
Mark
