EDGAR ALLAN POE

EDGAR ALLAN POE

Edgar Allan Poe was a famous American author who wrote scary stories.

He was born in 1809 and he died when he was only 40 years old. The reason for his death is still a mystery. Some people think he was murdered, some people think he died a natural death. No one really knows.

He wrote scary stories about people who go mad. One example, is the story 'The Tell-Tale Heart' about a man who goes mad because he is scared of an old man's eye. Many people say Poe is the best scary story writer who ever lived!
