

Arrange the song!

The Golden Vanity

Were sleeping when they heard, "ship ahoy!"

The ship's name was The Golden Vanity.

Yo, ho, ho! Away we go! Sailing out on the ocean waves.

A ship sailed out on the Lowland Sea.

The captain, crew, and cabin boy,

"Sink their ship and this gold is yours."

A big black flag was flying from the mast.

"Destroy them!" said the captain to the boy.

The pirate ship was approaching fast.

When the boy dived into the icy sea.

The boat was sinking. Now it couldn't float!

The pirates were busy eating their meal,

He made three holes in the side of their boat.

Thanks to the cabin boy for saving our lives.”

“We can all go home to our children and wives.

As they pulled the boy from the icy sea.

“Hooray!” said the men on The Golden Vanity.
