

Grandma's bed - song by John Denver

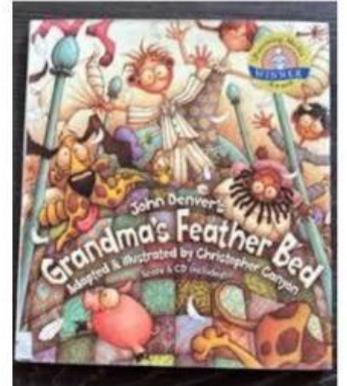

The **best thing** at Grandma's was?

Who's big feather bed was it?

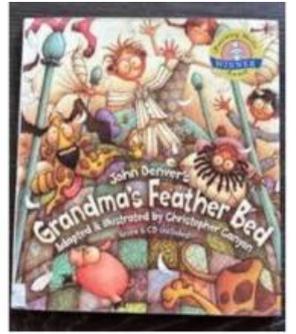

How **high** was the feather bed?

How **wide** was the feather bed?

Made from the feathers of forty 'leven what?

Grandma's bed

Was the bed **hard**?

How many **kids** did the bed hold?

How many **hound dogs**?

Did they get a lot of sleep?

Did they have a lot of fun?

Did he sleep alone at grandma's?
