

Stranger Things is a famous TV series from the USA.

The story happens in a small town called Hawkins. The main characters are a group of young friends.

One evening, a boy named Will goes missing. His friends are very worried and start to look for him. At the same time, they meet a strange girl called Eleven. She does not talk much and has special powers.

Soon, they learn about a dark and dangerous place called the Upside Down. Strange things happen in the town, and people feel scared. A dangerous monster comes from this place.

The friends try to help Will and protect each other. They look after Eleven and help her feel safe. Sometimes, they are afraid, but they do not give up.

In their free time, the friends hang out together, play games, and talk about their problems. Stranger Things is scary, but it is also a story about friendship, courage, and helping others.
