

Reading Text: Happy St. Patrick's Day!

St. Patrick's Day is a fun and bright holiday. We celebrate it every year on March 17th. This holiday comes from Ireland, a beautiful country in Europe, but today people celebrate it all over the world.

On this day, everything is green! People wear green clothes, green hats, and even green glasses. Green is the national color of Ireland and the color of spring.

A famous symbol of this holiday is the shamrock. It is a small green plant with three leaves. Another popular symbol is the leprechaun. A leprechaun is a magical little man from Irish fairy tales. He has a red beard and wears a green suit. Legends say that leprechauns are very rich and they hide a big pot of gold at the end of a rainbow!
