The Opposite Adjectives

(Reading Practice: Identifying Adjectives)

ACTIVITY 3 (a). ***Read*** and ***highlight*** ***ten*** adjectives in the story below.

One day, a strong, loud parrot sat in a big tree in the jungle. The weather was hot that day. The parrot's feathers were clean. The jungle was full of thin birds flying around. The birds were very quick. Tall animals were walking under the trees. And the parrot was a good friend to the monkeys. Life was happy for the parrot in the tree every day.

The Opposite Adjectives (Oral Practice)
