Last Friday, our school had an end-of-year celebration on the school grounds. Many students and parents came to join the event. At the entrance, we had to fill in a short form with our date of birth and passport number for security reasons.

There were many fun activities. Some students made beautiful crafts like paper flowers and friendship bracelets. Others prepared refreshments for visitors. Many students drank smoothies because the weather was very hot.

During the celebration, our teachers gave us many compliments for working hard during the school year. At the end of the event, the principal gave a short but **persuasive** speech. He encouraged us to keep learning and helping each other in the future.

It was a wonderful celebration. I really enjoyed the event and spending time with my friends.
