

Read the paragraph below and answer the following questions

Up cycling means the activity of turning old or used things and junk into new objects. Combining things to make new useful possessions is a very popular activity nowadays.

People share a lot of amazing ideas about **up cycling** on the internet. For example, You can use your old jeans, shirts, and T-shirts to make a bag. Another example is to use cans as metal holders for pens and pencils. It looks great as you put this holder on a table in the bedroom. Some up cycling ideas are more **unfamiliar**, such as turning a light bulb into a fishbowl. You just need to clean the light bulb and make sure you have a metal stand to hold it. There are so many interesting ideas to do with our old things and junk.

It is a chance to make use of them, rather than throwing them away as waste.
