

In many countries, the roles of men and women doing household chores are changing.

Take Josep as an example. He lives in Spain. Now his wife works, so Josep _____ more household chores than before. His wife, Maria, used to do all the cleaning, mopping, sweeping, washing, and ironing clothes as well as dusting. However, now Josep _____ and _____ the clothes. At the weekend, he _____ out in the kitchen as well. He _____ the sink, stove, and _____ the dishes. Josep doesn't _____ the floors. When Maria has free time, she _____ and _____ the floors as well as _____ the beds. She _____ things around the house too.
