Somebody that I used to know- Gotye

feel - have - can - say - is - are - find - happen - tell

Now and then I think of when we _____ together
Like when you ____ you felt so happy you _____ die
_____ myself that you _____ right for me
But _____ so lonely in your company
But that _____ love, and it's an ache I still remember

You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So when we _____ that we _____ not make sense
Well, you _____ that we would still be friends
But I'll admit that I _____ glad it was over

But you _____ to cut me off
Make out like it never _____ and that we _____ nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough

No, you _____ to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know
