Hi! My name is Sophie. Today I'm very happy because it's my birthday.

In the morning, my mother prepares my birthday cake, my sister cleans the living room, and my father decorates it with garlands and balloons.

At 7 p.m. , all my friends came to my birthday party. We dance, sing and play games. Then, my mother brings the birthday cake. I blow up the candles and they all sing "Happy Birthday" song.

At the end of the night, they give me nice birthday presents. What a nice party !
