Inbal's Blog

I really enjoyed my school trip last week. We went to Eilat. On the way, we visited many places. First, we visited Kibbutz Sde Boker. David Ben Gurion lived there. After that, we went on a jeep ride near Mitzpe Ramon. Then, we went to Timna Park. We walked for two hours. It was beautiful but very hot. Then, we ate lunch. Finally, we got to Eilat in the evening and stayed in the youth hostel (אכסניית נוער / بيت الشباب). It was a very special trip and of course we had lots of fun.
