

2 Discuss.

Discuss the questions below with a partner.

- 1 When was the last time you were sick? What was the problem?
- 2 What did you do to get better?

3 Read and match.

Label the pictures using the words in the box.

a sore throat a cough dizzy a headache
 a runny nose a stomach ache a fever/ high temperature sick

4 Play a game.

Read the instructions below and play the game **What's Wrong?**

What's Wrong?

- Work in pairs.
- Student A, ask Student B 'What's Wrong?'
- Student B you cannot talk. Mime your symptoms to your partner.
- Student A, find out what is wrong with your partner by asking questions, e.g. *Do you have a headache?*
- Student B, you can answer **Yes** or **No**.
- When you have identified what is wrong with your partner, change roles and play again.
